

## Product Information Sheet

### everroll® Shape - 4mm

|                          |   |   |                              |
|--------------------------|---|---|------------------------------|
| <b>1. Application</b>    | Fitness Sports Leisure & Commercial Retail Education Flooring   |   |                              |
| <b>2. Product</b>        | Name of Product   | : <b>everroll® Shape</b>  |                              |
|                          | Colour  | : Berlin, Nome, Goa, Kush, Oslo, Mons, Palau, Amsterdam, Manaus                                   |                              |
|                          | Material  | : elastic pre-manufactured rubber flooring mat made from EPDM granulates, bound with polyurethane |                              |
|                          | Thickness   | : 4mm   |                              |
| <b>3. Technical Data</b> | Specific Weight   | : 1377 kg/m <sup>3</sup>  |                              |
|                          | Weight per m <sup>2</sup>   | : 5.51 kg   |                              |
|                          | Tensile Strength  | : 1.15 N/mm <sup>2</sup>  | following<br>DIN EN ISO 1798 |
|                          | Elongation at Break   | : 90 %  | following<br>DIN EN ISO 1798 |
|                          | Tear Resistance   | : 7.5 N/mm  | following<br>DIN ISO 34-1    |
|                          | Coefficient of Friction   | : ≥ 0.3 μ   | EN 14 041                    |
|                          | Temperature Resistance  | : - 40° C up to 115° C  |                              |
| <b>4. Notice</b>         | <p>The above mentioned test data are based on periodical laboratory testing of test specimen taken from the actual manufacturing process and show the average values measured. The publishing of these technical data does not relieve the user of the necessity to test the relevant product for physical fitness based on a specific application. As the final use and application of our products are out of our control, this is the sole responsibility of the buyer / end user. All of our products do carry a warranty against manufacturer's defects according to our standard terms and conditions of sale. Due to deviations in raw materials, external influences like temperature and humidity variations, and the fact that this data relates to a resilient material, the above mentioned values are subject to vary up to +/- 25%.</p> |   |                              |
