INSPIRED BY NATURE
PERFECTED FOR YOUR ENVIRONMENT

nora[®]
by **Interface**[®]

Imagine a floor covering that brings the beauty and comfort of the natural world indoors. A room that exudes the intuitive warmth, light and calm so hard to find in today's busy world. Envision a perfect moment tailored just to you. Perhaps it's a glimpse of blue sky out of your window. Or the glow of your living room, illuminated by morning light. Maybe it's the hush of the ocean nearby. Imagine a flooring that makes you feel at home.

Now stop imagining - and start creating. The new noraplan® valua is inspired by nature and perfected for every environment. It offers the fantastic benefits of rubber as a raw material flow indoors with a palette of colours provided by natural surroundings. Let the textures and hues found in nature combine to create an inviting, authentic atmosphere. Let noraplan® valua invite you into a new way of looking at every indoor environment. Stay as long as you'd like.

noraplan® valua offers more than just another design option for floorings. It is a natural and intuitive product driven by customer feedback to meet the needs of the people who use it every day. It's made for living and working in different facilities and surroundings. It is made to promote health and well-being in any setting.

We didn't make noraplan® valua for buildings. We made it for people. With noraplan® valua, instinctual and intuitive design combine for a flooring inspired by nature, but perfected for the needs of every unique environment.

Inspired by nature

Perfected for healing

What if your hospital felt less like a clinic, and more like home? The best healing environment goes beyond doctors and medical devices. It encompasses the emotional needs of patients, staff and visitors. Let the healing power of nature transform your hospital with noraplan® valua. Soft and warm to the touch, noraplan® valua supports hospitable, healing design that lessens noise levels and increases ergonomic comfort. Floorings free of PVC, phthalate plasticizers and halogens.

Perfected for learning

Picture your ideal classroom. Quieter to allow for better student concentration. More comfortable for teachers who spend all day on their feet. Slip-resistant, too, for those energetic students. Or more colourful and vibrant to enliven your learning environment. Whatever your vision, it's possible with noraplan® valua. Enjoy the versatility you need to keep up with today's changing - and challenging - educational demands. Create a healthier, happier space for learning. No lesson required.

Perfected for impressing

Can floorings enhance your operational and design requirements? Now, it can. Improve public areas or retail environments with the inviting and versatile possibilities of noraplan® valua. A range of design options helps turn your space into a bold representation of your business or organisation. Turn open places like airports, museums, office buildings and malls into natural, flowing environments that leave a long-lasting impression. So your space looks inspired, no matter what the day holds.

Perfected for travelling

What if you could transport passengers somewhere beyond their physical destination? Create an atmosphere with noraplan® valua that says “you’ve arrived” before travellers reach their journey’s end. Ideal for busses, rail cars and marine applications, noraplan® valua offers a soft, quiet surface to those in transit. Slip-resistant properties provide confidence with every step to maximise public safety. Ease of maintenance makes cleaning fast, simple and safe in an environment that is always on the move. Plus, a wide scope of colour and design options brings the outdoors in.
