

Works Unite

Interface®

**Works Unite. Innovative differences.**

Naturally opposing views can create true moments of innovation. Free flowing thoughts, emerging from an ideation session, will blur all lines to really push the envelope. When such individual contributions brilliantly combine, real feelings of group unity develop. Everyone owns the idea. In a similar way, Works Unite innovatively fuses contrasting, linear and organic patterns, seamlessly merging them into a plank format. Texture is grouped with height variation to create smart, layering effects and a sense of moving forward. Works Unite is the intuitive way of creating spaces where opposites attract, beautifully.

The new Works Series has one vision, to work smarter together for every space. Every detail of Works Series works smarter to give greater versatility and drive value at the same time.

Combined with your ideas, each floor can create +Positive spaces™ which help their users thrive by letting them live, work, learn and regain inspiration every day. Each Works Series tile will prove to be the smart move for our planet's future too. As with every Interface product, they are Carbon Neutral, so they help you lower your carbon footprint with one positive step.

Carpet Tile Works Unite **Colour Mist Installed** Herringbone  
Carpet Tile On Line **Colour Citron Installed** Ashlar  
LVT Drawn Lines **Colour Diamond, Aquamarine Installed** Pattern by Tile

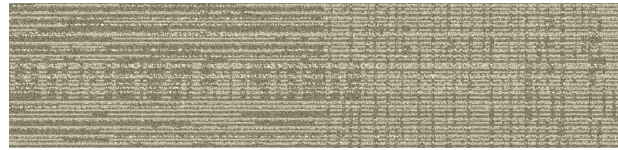

Carpet Tile Works Unite **Colour Dove Installed** Ashlar  
LVT Drawn Lines **Colour Amber Installed** Ashlar

Carpet Tile Works Unite **Colour Sage Installed** Herringbone

## Works Unite™ Colourline

2396-001-000 Sage

2396-005-000 Anchor

2396-002-000 Muslin

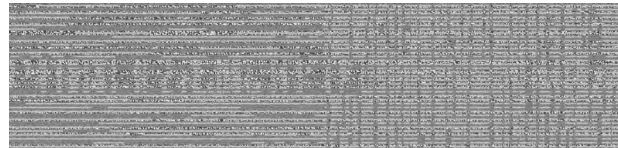

2396-006-000 Basalt

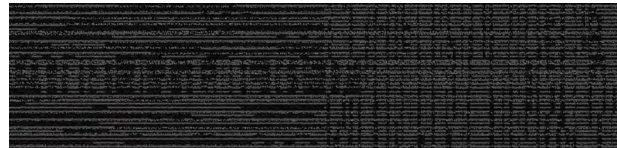

2396-003-000 Dove

2396-007-000 Flint

2396-004-000 Mist

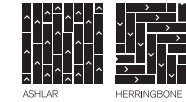

2396-008-000 Raisin

## Specifications

### Works Unite™

Style Code	2396 Pattern 000
Product Definition	Tufted Loop Pile
Yarn/Fibre	BCF Nylon Type 6
Colour System	100% Solution Dyed
Machine Gauge	1/12
Pile Thickness	2.5mm +/- 0.5mm
Total Thickness	5.5mm +/- 0.5mm
Tile Size	25x100cm
Area of Use	Commercial – General Use
Lifetime Antimicrobial	Intersept®
Soil/Stain Protection	Protekt2®
Installation Methods	Ashlar, Herringbone

ASHLAR

HERRINGBONE

Carbon Neutral Floors™  
All of our products are carbon neutral and our programme is verified by an independent third party, Bureau Veritas.

All Interface manufacturing facilities in the Asia Pacific region maintain registration to ISO 9001 Quality Management Systems and ISO 14001 Environmental Management Systems.

Production specifications are subject to normal manufacturing tolerances and may be changed without notice. Slight variation in colour among different production lots are normal and should be considered in the overall installation plan. Products covered by manufacturer's written warranty only. All other warranties, including without limitation any implied warranties of merchantability or fitness for particular purpose, are hereby disclaimed. Contact your representative for written warranty information.

As part of Interface's Mission Zero promise to eliminate any negative impact on the environment by 2020, we always consider the environment impact of every creative, manufacturing and building decision. This sample book is printed on recycled paper and with soy based ink. Twenty four virgin trees were saved from our use of 1725kg of recycled paper in the production of 5000 sample books. Energy intensity also decreased and greenhouse gases were reduced. The other reductions came from waste water and solid waste. Through our sample reclamation program, we help keep sample materials out of landfill by re-using them until it is time to recycle these sample materials.
